T11 Group Lift Ticket Procedure:

- 1) Let me (Mark Dukas) know what lift tickets you want for Sat and for Sunday.
- 2) Bring cash or check (made out to "Mark Dukas") sufficient to pay for your tickets and gear. It is a good idea to bring two checks, one for Sat and one for Sun, if you want flexibility. I will refund any overpayments, but not extend credit, so Be Prepared.
- 3) You will pay me for lift tickets the evening before and we will distribute tickets at the mountain.
- 4) IF you will be renting gear, taking lessons, or getting package(s) please let me know as soon as you can. Why? Because Sugar Bowl has special forms to fill out in advance, which will save you time at the mountain.
- 5) In the past T11 has recommended renting gear from Montclair Sports, but plan ahead.
