List two Troop 11 Scouts who you most want in your patrol

---

List one or two Troop 11 Scout who you least want in your patrol

Fold this over TWICE before turning it in so the information is kept private.

Only one or two adult leaders and very senior scouts (like SPL/ASPL) will see this sheet. We will use it to decide whether or not and how to make new patrols, and we will NOT share the information on these sheets with other scouts. Please keep in mind that every scout needs a patrol and that we can change only the patrol organization (and not the basic troop membership!). Your troop-mates are who they are and that will not change.
